OTHER EVENTS

Details of the Eclectic Competition and any new events will be announced during the year

TROPHIES

On normal Competition Days, visiting players will be eligible for Grade Trophies only.

All players should be aware of their responsibilities in relation to handicaps and acceptance of trophies.

PRACTICE ON THE GOLF COURSE

Maximum of two balls can be played.

No practice pitching or chipping allowed on any hole of the golf course.

Please use practice greens and surrounds for chipping practice.

LOCAL RULES

All players need to read the local rules board on the wall of the clubhouse before beginning play.

Embedded Stones

Through the green, solidly embedded stones may be treated as GUR (Rule 25 - 1)

Rule 25-1a – Interference

Interference by G.U.R. occurs when a ball lies in or touches G.U.R, or when G.U.R. on the course interferes with the player's stance or the area of his intended swing. If interference exists, the player may either play the ball as it lies or take relief as provided in Clause b.

Rule 25-1b – Relief

If the player elects to take relief, he shall proceed as follows;

Through the green – If the ball lies through the green, the point on the course nearest to where the ball lies shall be determined which

- a) Is not nearer the hole.
- b) Avoids interference by the condition, and
- c) Is not in a hazard or on a putting green.

The player shall mark and lift the ball and drop it without penalty within one club length of the point thus determined on a part of the course, which fulfills a), b) and c) above.

Exception

A player may not obtain relief under Rule 25 -1b if

- a) It is clearly unreasonable for him to play a stroke because of interference by anything other than a condition covered in Rule 25 - 1a (eg a tree over 2 club lengths in height) or
- b) Interference by such a condition would occur only through use of an unnecessarily abnormal stance, swing or direction of play.

MEMBER'S RESPONSIBILITIES

It is the responsibility of each member to know and observe the rules of the club. Members are also responsible for their guests while at the club.

It is the player's / member's responsibility to carry a bucket with sand for replacing divots and to check the board for local rules and conditions.

DRESS

All members are requested to maintain a reasonable standard of dress in the Clubrooms and on the Course.

MONTHLY MEDALS

Where possible a 'Monthly Medal' will be held on the first Saturday of the month. All Medal Winners will compete in the Monthly Medal Winner's Final to be held in December. Please note that Monthly Medal competitions for the women will alternate between Wednesdays and Saturdays.
