CLUB CHAMPIONSHIPS

Men's - Played over 72 holes

The best 72 holes gross score in each division will be the Champion for that division.

Financial Members of the club may compete.

Both a Junior's and Veteran's Championship will be held in conjunction with the Club Championship.

Women's – Played over 54 holes.

The best 54 holes gross score in each division will be the Champion for that division.

Mixed 9 hole – Played on the first 4 Wednesdays in October, the player with the best single stableford score of the four rounds will be the Champion. In the event of a tie, a sudden death playoff will take place.

+

OTHER EVENTS

Details of the Eclectic Competition and any new events will be announced during the year

TROPHIES

On normal Competition Days, visiting players will be eligible for Grade Trophies only.

All players should be aware of their responsibilities in relation to handicaps and acceptance of trophies.

PRACTICE ON THE GOLF COURSE

Maximum of two balls can be played.

No practice pitching or chipping allowed on any hole of the golf course.

Please use practice greens and surrounds for chipping practice.

LOCAL RULES

All players need to read the local rules board on the wall of the clubhouse before beginning play.

Embedded Stones

Through the green, solidly embedded stones may be treated as GUR (Rule 16)

Rule 16.1 – Interference

Interference by G.U.R. occurs when a ball lies in or touches G.U.R, or when G.U.R. on the course interferes with the player's stance or the area of his intended swing. If interference exists, the player may either play the ball as it lies or take relief as provided in Clause b.

Rule 16.1 – Relief

If the player elects to take relief, he shall proceed as follows;

Through the green – If the ball lies through the green, the point on the course nearest to where the ball lies shall be determined which

- a) Is not nearer the hole.
- b) Avoids interference by the condition, and
- c) Is not in a hazard or on a putting green.

The player shall mark and lift the ball and drop it without penalty within one club length of the point thus determined on a part of the course, which fulfills a), b) and c) above.

Exception

A player may not obtain relief under Rule 16.1 if

- a) It is clearly unreasonable for him to play a stroke because of interference by anything other than a condition covered in Rule 16.1 (eg a tree over 2 club lengths in height) or
- b) Interference by such a condition would occur only through use of an unnecessarily abnormal stance, swing or direction of play.

Heat Policy and time of play

Should the forecast temperature by the Bureau of Meteorology (BOM) for Seymour at 5.00pm on the evening before the day of competition be 38 degrees or more the competition times for that day will be amended to a start time of 9.00am

Members are permitted to start earlier than 9.00am if they wish to do so. No competition entries will accepted outside this time (9.00am).

- The course will remain open for members' play but not in the competition if outside the 9.00am (at own risk)
- The course will remain open for green fee players (at own risk).
- Should the forecast temperature at 5.00pm be predicted as above 42 degrees or more the course will be closed.

MEMBER'S RESPONSIBILITIES

It is the responsibility of each member to know and observe the rules of the club. Members are also responsible for their guests while at the club.

It is the player's / member's responsibility to carry a bucket with sand for replacing divots and to check the board for local rules and conditions.

DRESS

All members are requested to maintain a reasonable standard of dress in the Clubrooms and on the Course.

MONTHLY MEDALS

Where possible a 'Monthly Medal' will be held on the first Saturday of the month. All Medal Winners will compete in the Monthly Medal Winner's Final to be held in December. Please note that Monthly Medal competitions for the women will alternate between Wednesdays and Saturdays.

COMPETITION FEES
